The Layar, located at the heart of Seminyak, is the ideal spot for a fun and relaxing stay in Bali. We loved our spacious villa featuring modern, stylish design, a refreshing pool, and two comfortable en suite bedrooms. The fully equipped kitchen allowed us to enjoy plenty of home cooked meals and we loved the outdoor lounge for relaxing with a glass of wine. The interiors boast high ceiling and a split level lounge area perfect if you are looking to stay with friends. Their free local buggy service makes it easy to visit all the trendiest bars and restaurants in Seminyak. Make sure to check out their own on site restaurant [Settimo Cielo](#) which serves delicious Italian fare featuring fresh organic produce and handmade pastas. A perfect spot to stay if you are looking for a modern, chic villa that is right at the heart of all the action.
