Play More at Villa Sammasan

August 25, 2016/by [Andrew Kim](#)

Brimming with bold colours, massive vibrant artwork and woodwork fittings, Villa Sammasan at Phuket is a great choice for a tropical Thai holiday.

Located on a hillside above the southern end of Surin Beach, the three-bedroom Villa Sammasan is unlike other luxurious villas. Eye-catching touches include a zinc-topped dining table circled by sunny yellow chairs and overhung with a trio of colourful pendant lights. The dining area is fronted by floor-to-ceiling glass doors that flood it with stunning natural light and give easy access to the nine-metre infinity pool, furnished sun terrace and shaded poolside sala.

The splashes of colour to the fresh white interiors create a fun, relaxed ambience throughout the villa. Behind the living area is a media room equipped with a flat-screen TV and furnished with a deep comfy L-shaped sofa, which can be converted to a queen-size bed (if extra space is needed).

A spacious master suite occupies the entire upper floor of Villa Sammasan, furnished with a king-size modern four-poster bed and chic chaise-longue. The smart ensuite bedroom has a twin vanity, jacuzzi bath tub with ocean views, shower enclosure and separate WC. Two similarly-sized guest bedrooms are tucked below the pool on the villa's lower level, each with an ensuite bathroom and floor-to-ceiling windows opening to small balconies.

Beautiful Surin and lovely Laem Singh beaches, including many excellent restaurants are nearby of Villa Sammasan should guests wish to dine out.
