Top 3 Canggu Party Villas

1. Villa Levi – best for an intimate occasion

Blissfully tucked away along a quiet lane that winds through glistening rice fields, all is silent at Villa Levi but for bird song, the rustle of leaves in the breeze, and the hum of cicadas as your guests filter through the front doors of this intimate and cosy three-bedroom, open plan villa. Bringing you and your guests back-to-nature whilst cloaking you in sheer luxury, Villa Levi is an ideal destination for an intimate occasion or small, romantic wedding in Canggu.

Villa Levi is in fact a contemporary eco-villa [complete with recycled wood, intricate stonework, marble bathtubs and magnificent four-poster beds inlaid with alpaca shell] jazzed up to the nines with four private pavilions, a 16-metre swimming pool, a spa room, and rooftop and riverside terraces – plenty of space for groups and families to spread out and celebrate in graceful, tropical style. A chilled bottle of Sauvignon Blanc here is an essential!

2. Villa Asante – best for a summer pool party

Just 300m from the famed surf breaks of Echo Beach, Villa Asante is a four-bedroom, two-storey villa flanked by a pair of open-sided living and dining pavilions that gaze across a shimmering swimming pool and Canggu's emerald green rice terraces – if this isn't the perfect spot for a summer pool party, then we don't know what is!

It hits the perfect balance between uber-cool open-air living areas and comfortable air-conditioned bedrooms, broken up by social spaces and quiet corners to get away from the crowds. Splash around in the pool and play table tennis by day, or hide away with a PS3 and a selection of movies on the big screen by night – the villa really is your island oyster! And with well-trained, long-serving butlers and an experienced chef at your fingertips [many of the staff have been at Asante since the very beginning] you can rest assured that you and your entourage will be well looked after 'round the clock.
