Soon-to-be bride Iza Calzado flies to Bali, Indonesia for a beach getaway bridal shower with her close friends.

Iza Calzado is nearly a month away from her wedding in December.

Before tying the knot with her British fiance Ben Wintle, Iza picks Bali, Indonesia as the venue of her bridal bash.

On October 31, she flies off with Karylle and husband Yael Yuzon (not in photo), Sunshine Dizon, Divine Lee, and closest friends.

Karylle writes on Instagram, "Our gurl @missizacalzado is soon to be Mrs. Wintle so we're gonna make sure she has a big bash before the big day!

"She is the girl everybody loves everywhere we go...i love you my izadooooory fish fajiza calza-i-doooooio!! Salamat/Suksma!"

According to its official website, Noku Beach House is private beachfront villa with "six sumptuous en suite bedrooms and a legion of 25 professional staff."

Overlooking the Indian ocean, expect Iza and the ladies to indulge themselves in the luxury suite's amenities such as "gigantic marshmallow daybeds, a huge covered dining terrace and a relaxation balé overlook the 27-metre pool and tropical garden."

Early this year, Iza revealed that she and Ben are set to have a beach wedding. Her bridal gown will be designed by Rajo Laurel.
