

Escape to Villa Unna Private Residence in Bali

Elite
Havens,
Southeast
Asia's premier
luxury villa

rental and management company, has added Villa Unna to its Bali portfolio — a six-bedroom haven nestled between Bali's most dynamic lifestyle hubs, Seminyak and Canggu. This exquisite residence is not just a place to stay, but a complete escape, tailored for travellers who expect more than what a traditional hotel can offer. Set at the end of a quiet lane in the leafy village of Umalas, Villa Unna offers a rare blend of secluded serenity and convenient access to Bali's trendiest beach clubs, fine dining, shopping, and wellness destinations. Designed for effortless indoor-outdoor living, the villa's architectural highlights include soaring arched windows, a luminous open-plan lounge and dining area, and a statement central pool flanked by sunbeds and tropical foliage. Guests also enjoy the services of dedicated staff, including daily housekeeping and a villa manager, as well as access to Elite Havens Concierge Services — from private chefs and spa therapists to curated island experiences. www.elitehavens.com
