This October, Elite Havens, Asia's leading luxury villa management company, invites you to celebrate Diwali in an extraordinary way—amidst the beauty of Goa in a private villa. Picture marigolds and jasmine perfuming the air, candlelight dancing on a pool's surface, and family and friends gathered on verandas as your private chef prepares a lavish Diwali feast.

Elite Havens' curated Goa collection offers villas to suit every mood: Villa Athena, a chic

modern retreat; Casa Tanisa, a restored Indo-Portuguese gem; Colina Villa G, a hillside haven with panoramic views; and Estate de Frangipani and Estate de Alta Palmeira, expansive estates perfect for grand gatherings.

With concierge services arranging everything from rangoli at your doorstep to private yacht cruises, spa therapies, and cultural tours, every detail is thoughtfully crafted. Combine Goa's festive spirit with the comfort of your own private haven, and make this Diwali one to remember. **um**
