BITS&PIECES

A Night at Pandawa Cliff Estate

A group of select friends of Elite Havens were invited to Pandawa Cliff Estate to experience dining at the newly-opened set of three villas on the south coast of Bali. After being picked up by limousine we were whisked off to the Bukit, champagne in hand, in very fine style, but that was just the beginning. Sunset cocktails were next before sitting down for dinner in an outdoor dining setting of the Pala Villa. The splendid villas are set along the southern cliff's edge of Bali's Bukit and with music in the background, delicious food on the table, and the best wines in hand, this evening under the stars was a fantastic premier of the Pandawa Cliff Estate.
