VILLA SAYANG D'AMOUR

A mix of flavours creating perfect taste.

With its wonderful sense of space and flow and opulent interior decorating Villa Sayang d'Amour, a six-bedroom villa located in the very heart of stylish Seminyak, on Bali's southwest coast, is the very embodiment of grand living.

Set amongst lush tropical gardens resplendent with coconut palms and scented frangipanis it offers guests a beguiling blend of styles: unmistakably Balinese but with a distinctly French flavour spiced up with dashes of Morocco. Villa Sayang D'Amour provides the ideal setting for sophisticated gatherings around the pool, elegant dinner parties or fabulous rooftop parties, whilst also providing wonderfully comfortable spaces for relaxation.

It is absolutely fitting that a villa as stylish as this should be located in the most sophisticated area in Bali, just a stone's throw from world-class restaurants and beaches.
