With a wide range of private villas and resorts available in Seminyak, this region makes an excellent vacation destination for couples, friends and families looking to be close to the action. Between the beaches, restaurants and nightlife, you are never too far from any number of entertainment options when staying in this coastal town located just north of Kuta and south of Canggu. Travellers have the luxury to choose the type of accommodation they prefer, ranging from intimate garden bungalows to grand ocean view estates. Almost all of the villas here provide in-house spa and massage services to make your stay in Bali a more relaxing one. Seminyak Beach and Petitenget Beach are some of the popular spots to admire the sun setting over the Indian Ocean, especially from one of the beachfront establishments like Ku De Ta or Potato Head.

Below are a few of our favorite villas in the Seminyak area. See [our entire collection of villas on Seminyak-Villa.com](#).

This enormous 1900 m2 estate is the perfect setting for yoga retreats, weddings and large gatherings for any occasion. 7 bedrooms and 7 bath, Villa Yoga sleeps 14 people and has its own open-air yoga studio next to the swimming pool, which runs lengthwise through the property's garden. You won't believe this villa is set just a minute's walk off of Jalan Raya Seminyak.

## [Villa Senang](#)

A 4-bedroom retreat located just north of Petitenget, Villa Senang is the perfect getaway for those seeking poolside refuge. Two swimming pools in all, guests could easily spend all of their time switching off between the water and the shaded daybed or patio deck chairs. Two of the bedrooms reside in the main building while the other two lay in separate stand-alone bungalows, each with their own open-air bathrooms adjoined to the room.

## [Villa Phinisi](#)

If the lagoon-inspired pool doesn't draw you to this villa, then the close proximity to the beach sure will. Just 100 meters from Ku De Ta Beach Club and Seminyak's 'Eat Street', Villa Phinisi offers guests a private gym, home cinema and rustic wooden interiors.

## [Villa Kinaree](#)

Villa Kinaree is a newly completed villa in the north of Seminyak, off of Jalan Oberoi. Fully equipped with entertainment amenities and services, guests will be looked after by a Balinese staff of 15. Featuring a pool table, outdoor bar and TV lounge, this 4-bedroom villa is great for a couple of families or groups of friends.

### [Villa Shambala](#)

Step into tropical paradise at Villa Shambala. Rows of tall palm trees line the 19 meter swimming pool located amidst the villa's living space and bedrooms. A massage room is designated for guest pampering as well as a separate TV lounge for ultimate family entertainment.

### [Villa Atas Ombak](#)

Located right on the beach in Seminyak, this luxury villa is one of the most beautiful and unique in all of Bali. Occupying over 6000 square meters of seafront gardens, Villa Atas Ombak is visually stunning both because of its location and traditional Balinese architecture, prompting it to be consistently featured in design and lifestyle publications such as Marie Claire and Vogue. 5 deluxe bedroom suites, a jacuzzi, a full team of professional staff and a poolside bale are just a few of the highlights one can expect to find at Villa Atas Ombak.

### Villa Basilio

Villa Basilio is a parent's dream holiday getaway. Located in the heart of Seminyak, this 6 bedroom villa is ideally suited for your little ones to feel right at home. With double bunk beds, a playground, 2 swimming pools (1 for shallow wading) and a kids art table, children of all ages will be entertained for hours at Villa Basilio.

### Villa Crystal

A charming and affordable 3 bedroom villa in the heart of Seminyak's Oberoi district, Villa Crystal is just a minute walk to top spots like The Corner House, Cafe Zucchini and Anomali Coffee. Other than its convenience to Bali's main entertainment attractions, we adore Villa Crystal for its intimate atmosphere. All 3 rooms and the open-air living area are centered around the swimming pool, which provides the ultimate light show at night as it alternates between cool blues, greens, pinks and purples.

## [Villa Arte](#)

Time and time again Villa Arte proves to be a fan favourite amongst frequent Bali travellers. And why shouldn't it, with its 1200 square meters of green grass lawn, its close proximity to Double Six Beach and Jalan Raya Seminyak, not to mention its huge open-plan living and dining room with views of the 15 meter swimming pool. Especially friendly to families with young children, this single-story private home features plenty of space for kids to run around and play. The large garden is also a beautiful space for those looking to host a special event during their trip to Bali.

## [Villa Pandora](#)

Definitely not your average, cookie-cutter villa, Villa Pandora fuses rustic, colonial-inspired architecture with mod interior design and traditional Balinese elements. Vibrant reds and oranges create a cool, funky contrast to this chic white-washed house that sits in the middle of a lush, overgrown garden. Two extra bungalow bedrooms are located across the pool from the main living room and master suite, creating plenty of living space to comfortably accommodate a party of 8 people.
